

SPCK/USA News
January 2008

“I was baptized Roman Catholic and went through various stages of formation for the Roman Catholic priesthood. When I was 19 I joined the Detroit Province of the Society of Jesus as a novice. Today I am an Orthodox priest serving without pay ministering to the migrant work force in the area surrounding Winter Haven, FL. I need vestments and have only one used chalice/paten and ciborium.” SPCK has sent Father Roger Davila two sets of Eucharistic vestments.

The Rev Alvin Castilloveitia, Prince of Peace Anglican Mission, Miami writes, *“I am in great need of the BCP in Spanish and English.”* SPCK has shipped Father Castilloveitia 25 1928 BCP.

The Rev Samuel Otieno Sudhe, Bishop Okullu College, Kenya writes, *“Receive warm greetings from Kenya. I wish to convey very warm and hearty words of appreciation to SPCK/USA for their support of Bishop Okullu College of Theology. This gesture will ensure that theological education is once again an enjoyable subject. May the almighty God bless you in your endeavors to reach out with the love of Christ.*

Honora Motso Appiah, Holy Trinity Cathedral, Ghana writes, *Greetings in the Lord Jesus Christ, we are fine in Ghana, and hope you are fine too. We are still waiting for Bibles and other educational materials. May the good Lord grant you more abundantly for us to benefit and to use it wisely. Thank you for your wonderful love for us.”* Trinity Cathedral in Ghana, with the assistance of Honora, will be a distribution point for Bibles to all in Ghana. SPCK/USA receives individual requests weekly from young people in Ghana for a Bible. Sending a shipment of Bibles to the Cathedral is much cheaper than sending individual Bibles. We write all those from Ghana who request a Bible and direct them to the Cathedral in Accra.
