

Become an SPCK-USA Light Year Parish—it's easy!

1. Say "Yes"—Our parish wishes to become a Light Year Parish.
2. In your email, tell us the month (beginning September 2008) you wish to begin the program. We suggest you "Pass the Bible for Bucks for Books" on the first Sunday of each month. If a different Sunday is better for you, please tell us in your email which Sunday you are choosing.
3. Send an email to SPCK/USA and give us a contact name, address, and email where we are to send the monthly Sunday School lesson plan, and bulletin insert. We will send these emails to you on the weekday closest to the 15th of each month.
4. Each month, remit your collection via check to SPCK at the address below.

That's it—easy! We hope you will join us in this program for at least a year. If you have questions or special requests, please let us know. We are happy to hear from you:

Will you join The Society for Promoting Christian Knowledge-USA (SPCK-USA) as a **Light Year Parish**. Your participation will help SPCK-USA in its mission of bringing light to the nations by supplying Christian worship resources and catechetical materials to dioceses and schools in economically challenged parts of the world.

Once a month, your parish youth will pass around a Bible during the Offertory. Every person is asked to slip a one-dollar bill inside. This humble, grass-roots offering of one-dollar bills will join others from parishes across the country, and will be sent to SPCK-USA each month. These funds are vital to SPCK's ability to carry out its mission.

When you put a buck in a Bible each month during the, Offertory, you are helping to bring light. You are making a difference in the world by helping to support the shipment of used theological books to overseas schools and dioceses and helping SPCK in its Christian literature publishing projects. May God richly bless you.

In thanksgiving for your offering, SPCK-USA will send your parish a monthly email with two things: (1) a short insert for your Sunday bulletin, and (2) a Sunday School lesson plan that teaches about children in the countries where SPCK sends books. Imagine your children learning songs, games, stories and recipes from Tanzania, Honduras, and Malawi (and more!), and connecting the dollars they collect with kids very much like themselves. Imagine your children understanding the importance of mission support, and learning that grass-roots initiatives do indeed work. Imagine working together with other Episcopal parishes across the country to bring the light of Christ to the corners of the earth, one book and one dollar at a time.
